18 MAR 1974

MEMORANDUM FOR: Chairman, ICRS Staff

VIA : Chairman, COMIREX
Chief, O/DD/I Management Staff

SUBJECT : Installation and Support of Additional
Remote Terminal

REFERENCE : Your memo, dated 31 January 1974,
same subject

1. I am pleased to hear that the Delta Data terminal for your Staff is working out so well. As soon as the manufacturer can fulfill our order for additional terminals, we will install the second terminal that you have requested. I estimate this will be some time in June.

25X1A

2. You should initiate a memorandum for security approval for the second terminal. If there are any questions about this, contact [REDACTED] of my staff. He has already been in touch with [REDACTED] about your request.
